

KAREN VAN WYNGAARD

A favourite amongst the country's top photographers; advertising and fashion industries alike, multi talented hair stylist Karen Van Wyngaard uses hair as her canvas, creating wigs and intricate hair pieces, bringing a unique aesthetic and fresh approach to answer each client's brief. Her work has featured in many publications, including Elle, Marie Claire, Dossier and Wanted magazine. Vidal Sassoon and Toni&Guy trained, Karen has lectured at the local Carlton Hair Academy. She has worked with international photographers including David La Chapelle and styled fashion shows for Miss World and acted as Head of Department for SA Fashion Week for several years.
