**WHO KNOWS HOW
TO HANDLE THE HEAT**

A young man with black braids is riding a bicycle. He is wearing a tan t-shirt, a tan backpack, and large white headphones. He is smiling and looking towards the camera. In his right hand, he holds a clear plastic bottle of Sprite. The background is a brick wall with many windows, some of which have graffiti. The overall tone is urban and youthful.

COOLER THAN ICE

LET'S BE CLEAR
